MEMORANDUM FOR: Chief, Special Support Staff, DDS

SUBJECT : National Communications System (NCS) Standard Data  
Elements and Codes

1. Attached is a copy of the Preliminary Draft for Information (FDI) of the NCS Task 2-4, subject as above, dated 8 October 1968. As discussed with you, I believe your Staff is the appropriate component to determine the Agency position in establishing an NCS standard on this subject.

2. The CIA Representative to the NCS, [REDACTED] will be asked to discuss and/or coordinate this Standard at an NCS meeting in the future. Any comments, suggestions, or position you may have for [REDACTED] prior to the NCS meeting should be addressed to him through the Director of Communications, Attention: NCS Rep. I will advise you when the next meeting of NCS Task 2-4 is scheduled at which you or your representatives may desire to attend with [REDACTED]

3. I will be happy to assist you in obtaining copies of any references in the FDI that you need or desire.

[REDACTED]  
Chief, Telecommunications Staff  
Office of Communications
